Greetings Parents, Students, and Staff!

Welcome to the beginning of the new school year. We are delighted to welcome back so many students and to welcome all the new students and their families to our digital community!

In addition to our core staff of Ms. Joe (Program Coordinator), Ms. Miller (Support Coordinator), Mr. Ballenger (Social Studies) and Ms. Shore (English) we are excited to welcome new teachers Ms. Salim (Math) and Ms. Barnes (Science). We are also thrilled that Ms. Floyd, our part-time counselor last year is with us full-time this year.

Turn the page for information about back to school night next Wednesday - we hope to see you there!

## Asynchronous Day

September 26th

School and District Staff will participate in Professional Development on Monday, September 26th.

There will be no Zoom classes held - students are expected to continue working on their assignments as though it was a regular day.

We expect to see 5-1/2 hours of activity from every student - that's about an hour per class just like our regular days.
