Recognizing and Rewarding Positive Behaviors

On Thursday, March 3rd, Digital had its first "Rewards Day." Students were able to access our rewards catalog (link in email) and purchase premiums from their behavior "earnings."

We are very happy with the progress we are seeing from our students - increased participation, camera on and smiling faces, and assignments being completed.

Students and parents received an email from Mr. Thompson on Wednesday with credential codes to sign up for Liveschool. There's even an App for both Apple and Android Phones.

Parents and Guardians, please log on and discuss your students' progress with them. This is a "positive" program, so we don't take points away, but by accessing your student's timeline you can see negative behaviors as well as the positive.

A second shout-out to Mr. Jesse Ballenger for bringing us LiveSchool and executing the implementation of the program. If you have difficulty accessing your student or parent account(s), please contact Mr. Thompson or Mr. Ballenger via email.

View our Rewards Catalog by clicking the link in the email that sent you this newsletter!
