Spotlight on Staff

**MRS. SHAREETA JOE
PROGRAM COORDINATOR**

Mrs. Joe is our program coordinator, which means she is the person who keeps everything working, all the time.

In addition to managing the students and staff in the "Zoom Room", Mrs. Joe is our Gradpoint Guru and helps students and staff with technology issues.

She also is always available to support students in any subject - all the student has to do is come to the "main room" and ask, and Mrs. Joe is right there!

In her own words:

"My name is Mrs. Shareeta Joe. This is my tenth year with the Chester-Upland School District. I am the Program Coordinator for the Design Thinking Digital Academy. I am a proud graduate of the Chester High School Academy Class of 1997. I also have a Bachelor's and Master's Degree from the first HBCU, Lincoln University. I enjoy spending time with my wonderful family and I also enjoy singing."

Thank you, Mrs. Joe, for always putting our students first!
