**THANK YOU FOR REPRESENTING DIGITAL!**

Greetings Parents, Students, and Staff!

Today we want to thank the students who have stepped outside their comfort zone to participate in District Activities!

Last week we told you about 8th Grader Isa Hakim who represented Digital at the District-Wide Spelling Bee. Thank you Isa!

Yesterday, 6th Grader Gary Collins and 7th Grader Tyree Grant represented Digital at the District Science Fair. Thank you Gary and Tyree! The icing on the cake? Tyree won First Place for the Middle School Science Fair!!! Congratulations Tyree, and thank you for bringing it home for Digital!

There are more opportunities for students yet this year! Football workouts have begun for the 2023-2024 Clippers and information is available in the Google Classroom. This is open to 8th through 11th grade students.

A County-Wide Art contest is available to all students to design a logo for the County's Juneteenth celebration on June 19th, and the Oratorical Contest is open to all students as well. Flyers are in this newsletter and the Google Classroom.
