

**School Wide
Chester High School
Student Accountability and Expectations
Virtual Learning**

Non-negotiable

- Student interface session with their teacher on zoom is mandatory.
- Students are expected to log-in on time for their class session in the zoom room.
- Students are expected to attend and participate in live sessions on zoom with their teachers.
- Check Google Classroom and Teacher web page to know when assignment are due (dates).
- When you do not understand an assignment ask questions to the teacher. Questions need to be written in a central location (Google Classroom).
- Meet with teacher during office hours every Friday if you need additional help.
- Students must sign in online each class period to count for attendance. Students are to type their name in the chat box.
- Parents must email the teacher an absent note if the students has missed a class period online.
- Students are responsible to know their username and password for online learning.
- Students are expected to submit assignments by the due date. Late assignments will lose points by the discretion of the teacher but not more than 5 Points per day.
- Students that require more assistance with lessons are required to report to teacher office hours in the afternoon. (Teachers will provide afternoon office hours).
