

# April Students of the Month

7th Grade  
Quaiysia  
Shaw-Golsen

8th Grade  
Armand Phillips

Amber Morgan  
9th Grade

10th Grade  
Benjamin Bell

# 12th Grade Jason Stone!

# 11th Grade Markayla Holmes

# Staff Member of the Month

**Ms. Casey Hargadon** has been a member of the CUSD Community since 2016 and she currently serves as the 12<sup>th</sup> Grade Guidance Counselor here at STEM. Ms. Hargadon works tirelessly every day ensuring that our senior class gets into the college of their choice! Ms. Hargadon earned her Bachelor of Arts (B.A.) Degree in Psychology & Criminal Justice from Widener University, and she also received a Master of Arts (M.A.) Degree in School Counseling from Rosemont College. Ms. Hargadon has a lot of history within the Chester/Upland Community, as her father was a Chester High Valedictorian, and Baseball "Hall-of-Famer" from the Class of '76. A true athlete, Ms. Hargadon loves to stay fit. In addition to her counseling duties at STEM, she is a part-time trainer at an all-women's gym called 'G-Fit', where she coaches women on high-intensity interval training. Ms. Hargadon also stays busy with wedding planning - as she is currently preparing for her October, 2022 'post-covid' wedding! In her free time, Ms. Hargadon enjoys mentoring her younger sister, spending quality time with her fiancé, and hanging out with her dog named 'Royce' who is a unique mixture of a pit/chow. Grateful for her years of service and dedication to both CUSD and STEM, we honor **Ms. Casey Hargadon** as our **April STEM Staff Member of the Month!**
